- 13) Prayerfully study and write reflectively on the current state of ministry within your congregation(s). Review your 2008 Statistical Tables comparing them to previous years. Especially consider average attendance at Sunday school and worship and the number of baptisms (children and adults) as well as the number of persons received by profession of faith. Also, be sure to consider the focus of your congregation – how much do you think about self-preservation? How much do you think about meeting the needs of others and sharing the love of Christ beyond your membership?
- 14) The mission of the church is to make disciples of Jesus Christ for the transformation of the world. What evidence do you see that your congregation(s) is (are) becoming a faith sharing community, i.e. openly sharing the love and grace of Jesus Christ in word and deed in the community around you?
- 15) What is your congregation's plan to reach new people in 2010?
- 16) What other ministry goals have been set for next year by your congregation(s)?
- 17) Other Comments?
